

Congress PRION 2012 - May 9-12, 2012

VU University Amsterdam congress facilities

Amsterdam, the Netherlands

www.prion2012.com

Dear colleague:

We kindly draw your attention to PRION 2012, the largest international TSE research conference. The conference will take place on May 9-12, 2012 in Amsterdam, The Netherlands. PRION 2012 will include outstanding plenary lectures, special sessions, hot topics, networking activities, and poster presentations. The congress will be held Thursday May 10 – Saturday noon May 12 at the VU University Amsterdam congress facilities, where there also is room for additional pre-congress activities such as the traditional "Animal TSEs" workshop (afternoon of May 9).

For more information on PRION 2012, please visit the website: www.prion2012.com.

We express our thanks to the sponsors, the organisations, and YOU, who will make this conference possible. Please note the registration deadline of **April 30th, 2012**.

SEE YOU IN AMSTERDAM, MAY 2012!

Jan Langeveld, Chair PRION 2012

PS: Please forgive any double mailings, as we want to make sure that really everybody gets the information.
